

Ribbon & Ruler Lab

Put the measurements together. Find each total.

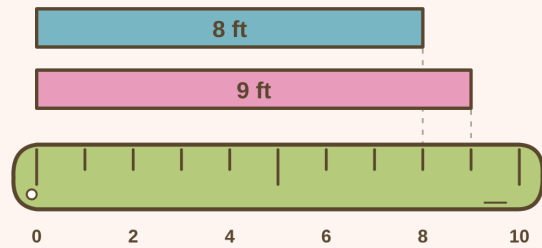

Picture rulers show amounts, not actual size.

1 Ribbon studio

$$\begin{array}{c} \text{15 ft} + \text{3 ft} \\ = \boxed{} \text{ ft} \end{array}$$

2 Join the lengths

$$\begin{array}{c} \text{8 ft} + \text{9 ft} \\ = \boxed{} \text{ ft} \end{array}$$

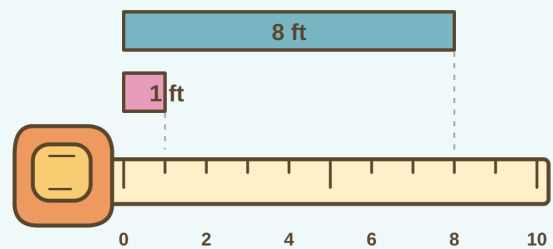

3 Ribbon challenge

Sketch both amounts here.

Two 1 ft green ribbons and one 1 ft green ribbon are shown. Below them is a dashed box for the answer.

$$\begin{array}{c} \text{1 ft} + \text{1 ft} \\ = \boxed{} \text{ ft} \end{array}$$

4 Ribbon studio

$$\begin{array}{c} \text{8 ft} + \text{1 ft} \\ = \boxed{} \text{ ft} \end{array}$$
