

Our Small History Museum

Ask a grown-up. Compare an object from two times.

Grade 1

Ask someone about an everyday object they used as a child. Find out what they used it for.

1 Draw their childhood object under Then. Draw yours under Now.

Then

An object they used as a child

Now

An object you use today

2 What changed? What stayed the same?

Different:

.....

The same:

.....

Tell whose memory helped you learn about the past.
