

Shape Safari: Trace, Count, and Color with Whizki

Trace the large shapes first, then practice drawing them on the lines below to improve pencil control.

Three large boxes for tracing practice:

- Red box containing a dashed square.
- Orange box containing a dashed house-like shape (a square with a diagonal line from the bottom-left corner to the center).
- Blue box containing a dashed arch.

Illustrations of a corn character and a grey elephant character are positioned below the boxes.
