

Shape Safari: Trace & Master Geometry with Whizki

Trace the large shapes first, then practice drawing them on the lines below to improve pencil control.

Three large boxes for tracing practice:

- Box 1 (Purple border):** Contains a dashed outline of a pentagon. A cartoon donkey character is positioned below it.
- Box 2 (Orange border):** Contains a dashed outline of the letter 'D'. A cartoon carrot character is positioned below it.
- Box 3 (Red border):** Contains a dashed outline of a circle.

Tracing practice row 1: A horizontal line with a dashed midline. Eight dashed pentagons are spaced evenly across the line for tracing.

Tracing practice row 2: A horizontal line with a dashed midline. Seven dashed pentagons are spaced evenly across the line for tracing.

Tracing practice row 3: A horizontal line with a dashed midline. Eight dashed uppercase 'D' characters are spaced evenly across the line for tracing.

Tracing practice row 4: A horizontal line with a dashed midline. Seven dashed uppercase 'D' characters are spaced evenly across the line for tracing.

Tracing practice row 5: A horizontal line with a dashed midline. Eight dashed circles are spaced evenly across the line for tracing.

Tracing practice row 6: A horizontal line with a dashed midline. Seven dashed circles are spaced evenly across the line for tracing.
