

Shape Trace Race! Early Math Fun with Whizki Learning

Trace the large shapes first, then practice drawing them on the lines below to improve pencil control.

Three large boxes for tracing practice:

- Orange box:** Contains a dashed outline of a square with a diagonal line from the top-right corner to the bottom-left corner. A cartoon tiger is peeking from behind the bottom edge.
- Pink box:** Contains a dashed outline of a parallelogram. A cartoon broccoli character holding a basketball is peeking from behind the bottom edge.
- Green box:** Contains a dashed outline of a semi-circle.
